PROPOSED

**PROPOSED ORDINANCE NO. 2022-ARPA REVENUE REPLACEMENT FUND**

**BE IT ENACTED BY THE QUORUM COURT OF CLEBURNE COUNTY, STATE OF ARKANSAS; AN ORDINANCE TO ESTABLISH AND FUND A COUNTY GENERAL SUB-FUND TO BE CALLED THE ARPA REVENUE REPLACEMENT FUND; AND TO DECLARE AN EMERGENCY.**

**WHEREAS**, the Quorum Court desires to establish a sub-fund in order to properly handle, manage, and keep record of any money received from what is commonly known as the American Rescue Plan (ARP).

**NOW THEREFORE, BE IT ENACTED BY THE QUORUM COURT OF CLEBURNE COUNTY, ARKANSAS:**

**Article 1. Affirmation.** It comes before this Court that there is a need to establish a County General sub-fund on the books of the county to track the revenue replacement funds taken from the ARP Fund #3046 from the election of a standard allowance allowed by the final rule. This Court recognizes and affirms the need for such a fund to properly account for and control all such revenues allowed and expenditures made with replacement revenue in compliance with the Coronavirus State and Local Fiscal Recovery Funds Final Rule from the U.S. Treasury.

**Article 2. Establishment of Fund.** There is hereby created on the books of the Cleburne County Treasurer and the books of the Cleburne County Clerk, a County General sub-fund to be known as the ARPA Revenue Replacement Fund with a fund number of 1006 as assigned by Arkansas Legislative Audit. Any revenue or transfer codes; office/department codes; and expenditure codes are to be assigned locally using the County Financial Management System per the direction of Arkansas Legislative Audit.

**Article 3. Operation of Fund.** The ARPA Revenue Replacement Fund is subject to all the normal county budgeting, appropriation, and expenditure regulations of Title 14 of Arkansas Code Annotated and the County Financial Management System. Funds transferred to the ARPA Revenue Replacement Fund as “county revenue loss” may be used generally for government services traditionally provided by county government to include, but not limited to: construction and maintenance of roads and bridges; other infrastructure projects; provision of public safety; purchase of government vehicles and equipment; and county administrative costs. Revenue replacement funds cannot be used to make an extraordinary contribution to a pension fund; for debt service; for replenishing county financial reserves; for settlements or judgments or for a project that conflicts with or contravenes the purpose of the American Rescue Plan Act. Proper records and documentation must be maintained on the use of these funds for federal audit purposes.

**EMERGENCY CLAUSE**

It is found by this Court that the transfer of revenue loss dollars from the American Rescue Plan Fund to the ARPA Replacement Revenue Fund for general county government services is imminent making it necessary to establish the ARPA Revenue Replacement Fund in order to be able to properly track the revenue, appropriated expenditures and/or appropriated transfers. Therefore, an emergency is declared to exist, and this ordinance shall be in full force and effect from the date of passage and approval.

**HAZARD MITIGATION PLAN UPDATE**

White River Planning and Development District and Cleburne County are working on updating the County Multi-Jurisdictional Hazard Mitigation Plan. Our current plan was adopted and approved in 2018, however, FEMA requires all plans to be updated every 5 years.

Back in 2020 we applied for a grant to help with the cost of getting this done. We were notified in January of this year that we had been approved. FEMA requires that this program be done through White River Planning or an entity like them. White River Planning and Development’s cost is \$40,000 to help complete the plan. FEMA will reimburse the county \$30,400 per the grant, but we will be responsible for the rest. When we applied we reached out to all the cities, schools, etc. in the county to see if anyone would be willing to participate in this with the county. Several agreed as follows:

- City of Greers Ferry ..... \$1,000
- City of Higden ..... \$1,000
- City of Quitman ..... \$1,000
- City of Heber Springs ..... \$1,000
- West Side School District ..... \$1,000
- Heber Springs School District ..... \$1,000
- Concord School District..... \$1,000

The county will be responsible for the remaining amount of \$2,600.

If you have any questions, please feel free to call me at 501-362-8141. I will not be at the meeting so please ask any questions you may have ahead of time. If it is a specific question about the Plan, please reach out to Carson Grant [carson@wrpdd.org](mailto:carson@wrpdd.org) (281-757-0169). He is the one at White River Planning that is overseeing the project for us.
